

**Proposal:**

To change our current voting process from clubs to members present at District 19 Meetings.

Reasoning: To allow more membership participation in district proposal process.

**New Rule**

For both Non Year-end Meetings and Year-end meeting, all current NAMBA District 19 members will be able to vote on proposals. Member must be present at the meeting to vote, no proxy voting. Voting will be by a simple majority, with ties settled by the District Director.
